Disclosure Information

In accordance with disclosure policies of ASAM and the ACCME, the effort is made to ensure balance, independence, objectivity, and scientific rigor in all CE activities. These policies include mitigating all relevant financial relationships with ineligible companies for the Planning Committees and Presenters. All activity Planning Committee member and Presenters have disclosed relevant financial relationship information. The ASAM CE Committee has reviewed these disclosures and determined that the relationships are not inappropriate in the context of their respective presentations and are not inconsistent with the educational goals and integrity of the activity.

All relevant financial relationships have been identified and mitigated.
