This course has not been approved by the American Society of Addiction Medicine (ASAM) as a NAADAC Approved Education Provider.

Other Professions - Continuing Education Credits
Upon completion of the activity and online evaluation, all other participants may request a certificate of participation. Participants may submit this certificate of participation to their professional organization/institute as documentation for completing this accredited continuing activity.

Maintenance of Certification (MOC) or Continuing Certification Programs (CCP)

This activity is designed to meet the requirements for MOC/CCP for several primary physician boards and for state licensing CME requirements. MOC Credit is only reported and designated for ABA, ABIM, ABP and ABS. By completing the online credit claim and evaluation, the learner permits ASAM to report credits to the appropriate Board. Learn more.

American Board of Anesthesiology (ABA)
This activity offers up to 15.50 CME credits, of which 15.50 credits contribute the patient safety CME component of the American Board of Anesthesiology's redesigned Maintenance of Certification in Anesthesiology™ (MOCA®) program, known as MOCA 2.0®. Please consult the ABA website, www.theABA.org, for a list of all MOCA 2.0 requirements.

American Board of Internal Medicine (ABIM)
Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 15.50 Medical Knowledge MOC points and patient safety MOC credit in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Board of Pediatrics (ABP)
Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn up to 15.50 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

American Board of Preventive Medicine (ABPM)
This activity has been designed to satisfy the Lifelong Professional Development requirements of The American Board of Preventive Medicine's Continuing Certification (CCP) requirements. These credits are not reported directly to ABPM. Please save your certificate for your records.

American Board of Psychiatry and Neurology (ABPN)
This activity has been designed to satisfy the CME requirements of the American Board of Psychiatry and Neurology's Continuing Certification (CC) requirements. These credits are not reported directly to ABPN. Please save your certificate for your records.

American Board of Surgery (ABS)
Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME requirements of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

Royal College of Physicians and Surgeons of Canada (RCPSC)
The Royal College of Physicians and Surgeons of Canada will recognize activities registered for CME for MOC as meeting the requirements for Royal College MOC Program Section 3 (Self-Assessment Programs) credits. Visit CME that Counts for Royal College MOC for more information.
