Other Professions - Continuing Education Credits

Upon completion of the activity and online evaluation, all other participants may request a certificate of participation. Participants may submit this certificate of participation to their professional organization/institute as documentation for completing this accredited continuing activity.

Maintenance of Certification (MOC) or Continuing Certification Programs (CCP)

MOC Credit is reported for ABA, ABP, ABIM, and ABS. By completing the online credit application and evaluation, the learner permits ASAM to report credits to the appropriate Board. [Learn more.](#)

American Board of Anesthesiology (ABA) – With Patient Safety

This activity offers up to 2 CME credits, of which 2 credits contribute the patient safety CME component of the American Board of Anesthesiology's redesigned Maintenance of Certification in Anesthesiology™ (MOCA®) program, known as MOCA 2.0®. Please consult the ABA website, www.theABA.org, for a list of all MOCA 2.0 requirements.

American Board of Internal Medicine (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 2 Medical Knowledge MOC points and patient safety MOC credit in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Board of Pediatrics (ABP)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn up to 2 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

American Board of Surgery (ABS)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME and Self-Assessment requirement(s) of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.
